

Hard Knox Vegas

This book is a look behind the curtain for anyone who never had to grow up in inner city projects. The author describes experiences that are not unlike most young African Americans coming up in the urban jungle of the streets. Join him as he shares with you the trials and tribulations that he has been through. Feel his love and passion of family, the camaraderie of friends, the urgency of The Game, the sadness of tragedy, the dejection of incarceration and eventually, the delight of awareness. This is his story. gillettebusy6@yahoo.com
