

## Joyful Play with Toddlers: Recipes for Fun with Odds and Ends (Tools for Everyday Parenting)

Boxes, buckets, sponges and scarves may not look like toys to you, but they can be fascinating for children, especially with the toys and games suggested in this guide to making wonderful playthings out of whats around the house. Even if youre all thumbs at crafts, this books simple directions and clear illustrations explain how to make sock puppets and puzzles, play dough and a rubber-band banjo. An excellent way to show young children how to reuse packaging and other throwaways, too.
