

Tiger Babies Strike Back: How I Was Raised by a Tiger Mom but Could Not Be Turned to the Dark Side

An answer to Amy Chua's Battle Hymn of the Tiger Mother, author Kim Wong Keltner's *Tiger Babies Strike Back* takes the control-freak beast by the tail with a humorous and honest look at the issues facing women today—Chinese-American and otherwise. Keltner, the author of the novels *Buddha Baby* and *I Want Candy*, mines her own past in an attempt to dispel the myth that all Chinese women are Tiger Mothers. Keltner strikes back at Chua's argument through topics, including *East Meets West in the Board Room and the Bedroom*, and *I Was Raised by a Tiger Mom* and *All I Got Was This Lousy T-Shirt: A Rebuttal to Chua*. Through personal anecdotes and tough-love advice, Keltner's witty and forthright opinions evoke an Asian-American *Sex and the City*, while showing how our families shape our personal worlds.
