

Names of God (Moody Classics)

Now with a new foreword by Ann Spangler. Nathan J. Stone writes, "Indeed we cannot say all that the mysterious word God means to us until we know more about Him. God's many names reveal not only different dimensions of His character but also point to their fulfillment in the Person and work of Jesus Christ. This insightful little book accurately and clearly works through the many names of God throughout the Old Testament. We can now see God in new lights and angles as we learn of His justice, His unbounded love, His preeminence, and His character--all through His names. This book has sold over 400,000 copies."
