

Muette (French Edition)

Si lon pouvait ouvrir mon corps en deux on y trouverait une petite fille accroupie sur un tas de pierres, apeuree par le monde, par la vie. Elle aura peur parce quon la decouverte et quelle nest pas prete a sortir de mon image de grande. On essayera de lui parler mais elle serait toujours incapable demettre le moindre son, toujours interdite de faire quoi que ce soit qui pourrait la faire voir, la faire entendre ou exister tout simplement. Cette fillette a peur, cette fillette cest moi.
