

## Attracted to Fire

Special Agent Meghan Connors dream of one day protecting the president of the United States is about to come true. Only one assignment stands in her way. After the vice presidents rebellious daughter is threatened, Meghan is assigned to her protective detail on a secluded ranch in West Texas. Unfortunately, working with Special Agent in Charge Ash Zinders may be as tough as controlling her charge. Ash has a reputation for being critical and exacting, and hes also after the same promotion as Meghan. But when the threats escalate and security on the ranch is breached, it becomes clear this isnt the work of a single suspectits part of a sophisticated plan that reaches deeper and higher than anyone imagined. And only Ash and Meghan can put the pieces together before its too late.

The term pyromania comes from the Greek words pyro (fire) and mania (madness). A child pyromaniac is the most rare form of fire setting. The child must show that he or she is attracted to fire and anything related to
