

# Keane: The Autobiography: First Edition

A publishing phenomenon in hardcover, Roy Keane's autobiography was the biggest selling sports book of the year. Now in paperback it includes a new chapter covering Keane's vindication by the FAI report, and the punishment meted out by the FA and Mick McCarthy's resignation. Brilliantly reviewed, Roy Keane's riveting, brutally honest autobiography has the potential to be one of the year's biggest paperback bestsellers.
