

# Living Healthy and Happily Ever After, Revised Edition: Psychological & Physical Remedies to Jump-Start Healing

In LIVING HEALTHY AND HAPPILY EVER AFTER, Dr. Sue Lawton and Rebecca Linder Hintze address the psychological and physical remedies necessary to live a truly abundant life. Dr. Lawton, a clinical psychologist and biochemist, brings more than forty years of clinical experience to this project, and combines her expertise with the wisdom of Rebecca Linder Hintze, family issues expert and author of the international bestseller, HEALING YOUR FAMILY HISTORY. Among several shared talents and interests, these two women love essential oils and nutritional products. They powerfully and effectively teach readers how to use and apply pure therapeutic-grade essential oils while healing mind and body, and breaking free of destructive patterns. As you read the pages of this book, expect to move forward into a magnificent reality! You'll be energized, answers you've been seeking will be discovered, and you'll find that this book will be the one that you'll refer to forever!
