

Leah: A Story About a Very Special Love

This is a story about a very special love - a love that existed between a grandfather and a most beautiful and extraordinary granddaughter. Leah wasn't just an ordinary child, if there's any such thing as an ordinary child. They're all special but the princess was a child apart, and her leaving has left a terrible void in my life. It's not a story with a happy ending or a story of great hope, in fact quite the opposite...It is dedicated to our angel - Leah.
