

Lucky 13: A Grandparents Guide (Paperback Edition)

This guide uses the humorous comments of grandchildren to cover such issues as the well-being of grandparents, hygiene and safety tips, stages of growth of grandchildren, and suggestions for places to go and things to do with the grandchildren. Hopefully, this guide will make it easier for grandparents to enjoy meaningful, stress-free and fun times with their grandchildren, whether they are watching them full time, part time or on occasion. The premise of Lucky 13: A Grandparents Guide is that the most important legacy grandparents will leave grandchildren is not material things, but rather wonderful memories of times spent together.
