

## Meditations for New Parents, New Edition (Meditations Herald Press)

Co-written by Gerald and Sara Wenger Shenk, this book is intended to appeal to new fathers as well as mothers. The Shenks share their personal experiences as well as poetry and prose pieces from a wide variety of additional sources. The result is an inspiring collection of writings arranged to provide one month of daily meditations for the new family. While the covers have been updated, the interior content purposely retains the original language and beautiful sentiments of the original authors. This series will appeal especially to traditional parents and mothers with a strong faith background who endeavor to raise their families in positive ways. 30 days of daily meditations for the new family
