Book 2: Mediterranean: The Complete Mediterranean Diet Recipes Cookbook The Mediterranean diet is prized for its ability to have people looking and feeling years younger than they actually are. This diet boasts some of the freshest ingredients from around the world, with a focus on using lots of olive oil, fresh fruit and veggies, beans, and fish. While many people love the Mediterranean diet, they tend to have problems fitting the foods into their daily lives – that’s where this book comes in. In The Complete Mediterranean Diet Cookbook, we will focus in on many of the foods that you already eat, but we just make them cleaner and healthier than ever. Book 3: Crockpot: The Complete Crockpot Recipes Cookbook For many people, the crock pot is one of the best ways to start cooking. You can have a lot of fun with this little machine, and it’s great for all of us who are busy and on the go. It’s one of the best ways to cook for many, and it’s become one of the most revolutionary ways to cook food for some. However, many of us don’t know the first thing about cooking with a crock pot, and many times there are a lot of things we don’t know about it, and we might not know the potential of this little machine. There is also the fact that we might only know a few recipes at a time, but we don’t know what to really make with this. However, this book will allow you to learn about all of the different types of crock pot recipes that are out there. Book 4: Paleo: The Complete Paleo Diet Recipes Cookbook Recently, many have started to look into the paleo diet as a way to lose weight. It’s an effective diet, and it’s a way to not only lose weight, but also to help keep the body healthy and flush out many of the toxins that are present within it. For many people, the paleo diet is one of the best ways to go, because not only is it low in calories, you’re improving your digestive system and stopping “leaky gut,” lowering or your blood sugar, getting the vitamins and minerals that you need, and most importantly you’re eating foods that you should be eating. It’s a diet that is very simple to follow in a sense, and you actually can find some great recipes to choose from.
