

Violence in Families: What Every Christian Needs to Know

Domestic violence is an often glossed-over danger in families today, and Christian families are not immune. The warning signs can be hidden or disregarded. Reverend Al Miles confronts the issues surrounding family violence, its causes, and possible solutions. He also discusses how all people are affected and can help address the issue. With an honest and down-to-earth tone, this book provides guidance and information for lay people as well as for individuals experienced with the complex nature of domestic violence.
