

Managing Gods Time: Personal Effectiveness Improvement

Over his 32-years business career, 16 as a non Christian and 16 as a born again Christian, Michel Bell climbed the corporate ladder rapidly, and gathered increasing responsibility. In the early years he had two ulcers, neglected his family, and was stressed continually. Gradually, to cope with the continual pressure, to protect his health, and to spend quantity time with his family, he developed the system of personal effectiveness that's the topic of this book. Read about the process, and challenges he overcame to develop this lifestyle of personal effectiveness that allowed him to cope with the inevitable, daily conflicting demands. Try the simple, proven tips, tools, techniques to help develop and work with right priorities.
