

Mind, Money & Markets: A Guide for Every Investor, Trader and Business Person

Markets do not act in a rational or logical manner. Mind, Money & Markets explains why markets act the way they do. It is critical for every person to understand this in order to make wise decisions ranging from buying a house to operating a business. Dealing with information overload is a real challenge! This book also provides investors with a filter in order to enable them to be efficient with their time by only focusing on a few factors that really matter. With 150 colour pictures and charts, this is one of the most interesting and unique investment books ever written by Canadian and U.S. investment experts that provides personalized strategies for investors. If you only read one investment book in the next year, Mind, Money & Markets should be at the top of your list.
