

A priest, a blogger, and a homebrewer walk into a bar... If you want to know what happens next, then this book may be just what you've been looking for! Blogger Sarah Vabulas, better known as the Catholic Drinkie, shares her story of what happened to bring her passion for the Church and her passion for a good drink together into a mission of evangelization. Learn the rich history of alcohol in the Church, discover which monasteries make the best brews, and explore how you can share your faith over a pint with fellow travelers - or your friends at home. With Sarah's skillful storytelling, you'll soon see something more than froth here: A conversation with the Catholic Drinkie is where faith meets brew.
