

Fund Spy: Morningstars Inside Secrets to Selecting Mutual Funds that Outperform

Author Russel Kinnel walks readers through the handful of key factors they need to pick winning funds. Armed with the quantitative data and qualitative research, they will gain the confidence to pick great funds for the long-term. This book will be accompanied by a web-based tool created by Morningstar, which will enable readers to evaluate their own funds using Kinnel's criteria. Written in a fun and accessible manner, The Fund Spy offers Kinnel's unique insight as a 14-year Morningstar fund analyst. He speaks plainly about the conflicts that can go against investors' interests, explaining how to avoid traps and push out the slick sales pitches facing today's investors. He also offers several 10 lists, which provide quick answers to investors' most common questions (e.g., the Top 10 Funds to Recommend to Relatives, the 10 Best Contrarian Managers, the 10 Most Overrated Managers).
