

Getting Pregnant Faster: How To Zero In On Ovulation For Faster Conception

Want to know WHEN youre ovulating & WHEN to have baby-making intercourse? This fertility guide will show you ALL ABOUT IT! TIMING IS EVERYTHING! Many women struggle to understand when their most fertile time of month is and when to have baby-making intercourse. It shouldnt be rocket science - and we should know this stuff - but we were never taught!

Timing is very important. Knowing your own body and your own cycle is very important. Utilizing every tool at your disposal is very important. In this book, you will learn ALL about the different methods of determining ovulation, what can delay ovulation, what herbs help promote ovulation or cervical fluid, symptoms of ovulation, problems with ovulation (including PCOS and luteal phase defect), the effects of using Clomid or Femara, and much more. Plus, bonus sections on male infertility, baby gender selection, and frequently asked ovulation questions. Benefits: Learn why wetter is better and why most women get their sex timing wrong The best ovulation herbs for improving ovulation and fertility Fully understanding the tools for ovulation detection - one of the methods alone will clue you in on so many details of your cycle OPKs Do you need them? Are they effective? What type is best for PCOS? One-of-a-kind tips for other advanced age women (like me) Is your man fertile? simple steps to find out (with less embarrassment for him) PCOS and luteal phase defect and what natural methods can help improve fertility and ovulation detection Artificial methods pros and cons plus alternative natural treatments PLUS Does stress matter? Does it matter what you eat? Plus disturbing or dangerous ovulation symptoms exposed And Much More! Testimonials: This book is full of great information for couples that are trying to conceive. Sally has explained the common getting pregnant myths and

provided clear answers for them. More importantly, she has given couples a clear game plan on how to bring that new little bundle of joy into their families quicker! ... Read this book if you want to increase your chances of starting or adding to your family. - Lisa R., Mom of 2 boys Sally delves into everything you need to know about ovulation in a sensitive and caring way. This book is thorough and professional, to the point, and easy to understand. - Holly B., mom of 3 and author of www.frugal-living-now.com This book is clear and concise. An excellent resource for anyone wanting to understand their ovulation better in order to be able to take control of their own fertility. - September, Mom of 4 and author of www.4MonthsToFertile.com FROM THE AUTHOR: Im Sally - the author of this book ... And I struggled just like you with all the aspects of getting pregnant ... I thought it would happen right away, but it didnt. And when it finally did - it ended in a heart-breaking miscarriage ... then a second miscarriage. I NEEDED ANSWERS! I found the answers I needed and finally conceived my first son at age 39 and my second son at age 41 - both naturally and both pregnancies without complications. I am committed to sharing what I learned along the way with other women just like you who are struggling to get pregnant.
