

My Brother J-Boy

J-Boy is Nells big brother. He is a teacher and a leader on their farm. J-Boy and his siblings grew up in the Jim Crow South. He is one of Mississippi's famous citizens. The name, James H. Meredith, became known around the world in 1962 when he integrated the University of Mississippi. His integration made world news headlines, because President John F. Kennedy had to call in the U.S. military to end an armed insurrection between segregationists and private citizens against the U.S. Marshals Service. A monumental statue of James Meredith was erected in 2006 and he has received numerous honors for his contribution to higher learning and the obtainment of citizenship rights. Enclosed: Autographed Citizenship Certificate
