

# Jack Abramoffs House of Cards (A White-Hat Lawyer Investigative Report)

Jack Abramoff was the criminal lobbyist and amoral fixer who corrupted a generation of Republican Congressmen by pandering to their lust for money and power. A rabbi and self-proclaimed philanthropist who lined his own pockets with funds looted from Native American clients eager for gambling licenses, Abramoff cuts a tragic picture. But was he also guilty of crimes for which he escaped prosecution? Crimes such as murder? This explores Abramoffs skein of lies and the victims caught in it.
