

Never having a family to call his own Toby Mitchell grew up alone. Given away as a young child, he knew he would never be loved. He was a child caught up in the foster system, always being shuffled from one home to the next he had no family. That is until he was old enough to join the Marines. He finally found his family. Until a job ending injury forces him out of the only family, hes known. Raven Whitehorse, raised without a mother had always felt that there was a conspiracy behind her mothers disappearance. She knew her mother would never leave her. After running away from home at sixteen to try to find her mother, the search for her mother hits a dead end. Raven takes any job available to stay off the streets as she works her way through school. After living on the streets, she knows that love isn't kind. After landing a job with a new software company, she meets Toby Mitchell the owner of a security firm that her new boss has hired. Toby, wanting to put closure to his childhood, sets out to find his mother, the drug addicted woman that didnt care enough about her own child to seek the help she needed. Toby feels that without this closure, he cant move forward in his relationship with Raven. Raven needs to find her mother to see if the rumors were true and what really happen the day she disappeared. Was she the scared teen that could handle the pressures of new motherhood, was she blackmailed to leave or worse. What secrets will they find, and how will that affect each other?
