

No Sides Needed: 34 Recipes to Simplify Life

These days it seems all of us are pinched for time. We don't have time to cook multiple courses. We don't have time to clean four or five pots plus the family dishes. We don't even have time to take out the trash every single day. Some of these recipes are complete scratch recipes and some utilize pre-made components that make logical shortcuts that will help keep the dishes caught up. So I present for you 34 recipes to simplify life, No Sides Needed.
