

Now You Know Divorce: The Little Book of Answers

For obvious reasons, divorce is as ancient as marriage itself, though Voltaire once quipped, I think that marriage is a few weeks older. In *Now You Know Divorce*, Doug Lennox, the supreme justice of Q&A, brings down the gavel on everything from adultery to Zwingli and child custody to palimony. What are the odds of getting divorced in Canada and in the United States? How is global warming related to divorce? How did alimony originate? How many wives did King Henry VIII actually divorce? What are the 10 most costly celebrity divorces?
