

## Nicaragua - on a Personal Note 2016: Nicaragua - Mi Amor - My Love (Calvendo Nature)

Nicaragua is a wonderful, diverse country between two oceans - full of colours and friendly people. Come with me on a journey to see colonial architecture, interesting people and open landscapes. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
