

On The Choptank Shores - A Love Story

On the Choptank Shores is set on Maryland's eastern shore in the late 1920s. Happy endings, in novels as in life, sometimes come at a heavy price. The tragic deaths of her mother and two younger siblings have left Grace Harmon responsible for raising her sister Miriam and protecting her from their abusive father, Luther, a zealot preacher with a penchant for speaking in Biblical verse who is on a downward spiral toward insanity. Otto Singer charms Grace with his gentle courtship and devotion to his brother, Henry, but is unable to share with Grace the terrible secret he has kept more than twenty years. Luther's insane ravings and increasingly violent behavior force Grace to question everything she ever knew. Then, tragedy strikes just when Otto's secret is uncovered, unleashing demons that threaten to destroy the entire family. Can Grace find the strength to save them all?
