

Business-to-Business Golf : How to Swing Your Way to Business Success

Preparation is the key to a successful round of business golf and this book is your business advisor and golf pro all in one. It is packed with eighteen holes worth of insights and techniques for playing business golf and developing client relationships. Through a variety of business topics and tips, this book will also help you create more time to host a guest and close a deal. A scorecard is enclosed for you to record your score. Detail answers are provided to measure your results.
