

## Operating Grants for Nonprofit Organizations 2003

Nonprofits and other organizations seeking grants and funding opportunities to support general operating expenses will find over 1,000 current operating grants--organized by state--each with contact and requirement information. Three user-friendly indexes (subject, sponsors, and geographic restrictions) help you to quickly find the right grants for your needs. Nonprofits and other organizations seeking grants and funding opportunities to support general operating expenses will find over 1,000 current operating grants--organized by state--each with contact and requirement information. Three user-friendly indexes (subject, sponsors, and geographic restrictions) help you to quickly find the right grants for your needs. Few needs are more important to a nonprofit organization than funding for operating costs. This new directory will save you time and money by focusing on grants fundamental to your organization. All types of nonprofits can benefit: arts and humanities, community development, health care, children and youth, and education. Each entry includes grant title, sponsor name and address, contact information (name and title, phone and fax numbers, email and Web site addresses), requirements and restrictions (when available), sample awards (when available), and sponsors areas of interest.
