

How to Make Money Trading Options (complete course)

Here's the right place to start for your successful options trading ventures. The terminology, the basics, the strategies - all of that is here, along with the most crucial of all training: COUNTER INTUITIVE trading. It'll teach you to cut your losses quickly, ride your gains carefully - even how to profit in up movements, down movements, or no movement at all. Learn the rules, muster up a little courage and take a much more assured plunge. Remember W.C. Fields? A character in one of his movies asked if a game Fields proposed the engage in was gambling? Not the way I play it, Fields responds. Is options trading gambling? Not the way you'll trade with the knowledge you will gain here.
