

My Daily Meditation

The title of the book sufficiently interprets its purpose. Each day of the year (none specified) begins with the month and day, a line of illumination, a title as compliments the days scripture reading and devotional script. It hopes to lead readers to practical meditation on the Word of God so that it supplies vision to common tasks, and daily nourishment to the conscience will. And also that it leads readers to engage their thoughts upon the wonders of meditation, as to fortify the soul for its high calling in Jesus Christ our Lord.
