He was packing heat...and more While following a hot tip, Chicago policeman Cooper Calhoun runs smack into gorgeous Violet OLeary. The sexy brunette FBI agent is no shrinking violet, however. Shes tough, no-nonsense and not exactly thrilled when Coop proposes they join forces on this puzzling case. Sure, theyre after the same con-artist suspect, but Violet is feeling territorial, in more ways than one. Except this hotshot rookie cop keeps distracting Violet -- by kissing her senseless, touching her emotions...seducing her body. But when Coop takes out his handcuffs, Violet doesnt know whether to run... or go for it!
