

The Art of Poetry: The color of change

The Art of poetry is a spectacle that represents a radical change and an Anthology of freedom. It contains the strength of Maya Angelou, the courage of Langston Hughes, the greatness of Homer, the persuasiveness of Wolf Whitman, the free mindedness of Oscar Wilde, the novelty of Phillis Wheatley, the humor of Mark Twain, the romance of Lord Byron, the memory of Alice Walker, the timelessness of William Shakespeare and the philosophy of Socrates. The Art of poetry is a book once read will change your thinking.
