

Generations: Birth of an American Aristocracy

Jack Gilbert is many things to many people. Lover, adulterer, murderer, politician, and corporate giant are but a few titles he has earned. It is his thirst for more that can never be quenched, and as each new generation of Gilberts emerges, there is little realization that the family's wealth has come at great expense to others. If the love of money is the root of all evil, Jack Gilbert is the devil personified.
