

## Peekaboo! Was It You? (Peek-a-Board Books)

Illustrated in full color. A sturdy board book featuring [Kay] Choraos charming drawings done in crosshatched colored pencil. A happy toddler plays a peekaboo game in a cozy, comfortably cluttered house. Rhyming verse accompanies scenes of the child's daily routine: dressing, mealtime, playtime, bedtime. Each page contains a differently shaped die-cut hole for youngsters to peek through and discover an object or animal on the next or preceding page... This will be a welcome addition to toddler collections.--School Library Journal
