

## Perfect Presentations

Success at work isnt just about working harder. It means thinking and working smarter. The Self-Development for Success series helps you quickly improve basic but crucial professional skills--and ensure your ongoing career success. These brief, visually attractive, interactive books let you assess your current strengths, target weak areas, and build your knowledge and skills. You get an entire skills-training workshop--complete with charts, checklists, exercises, and questionnaires. With Perfect Presentations, youll learn how to:

- \* Present yourself, your ideas, and your companys image in a winning light
- \* Develop effective presentation skills
- \* Communicate your ideas clearly and engagingly
- \* Build your confidence as you learn the best way to get results from a presentation.

Other titles in the series: Effective Communication Effective Delegation Effective Interviews Selection Interviewing Stress Management Telephone Techniques Time Management
