

Butt On A Pillow: The Things I Had To Do To Get Pregnant

Isn't it ironic how we spend a big portion of our young lives trying to NOT get pregnant, only to find out later that we might not even be able to get pregnant in the first place? As a woman in my early twenties I never expected that getting pregnant would have been an issue for me, but it was. Spoiler alert: I eventually got pregnant, but it wasn't easy. It took three years of negative pregnancy tests and multiple fertility products before I found what made our little miracle happen. I hope my story can give someone hope who is trying so hard to get a little miracle of their own.
