

The definitive guide for individuals looking to relocate to France for their retirement. Retiring to France is a comprehensive guide for those individuals in their third age seeking to move. It includes information on the types and costs of accommodation, the general cost of living - taking into account senior concessions - and how best to spend your leisure time. The guide is packed with information on house buying procedures, laws and regulations, healthcare and taxation. Retiring to France also includes first hand accounts from people who have successfully retired to the areas, as well as lists of useful addresses and things to do in art, music, theatre and festivals.
