That right there is worth the book. I never thought of describing it that way, but it makes perfect sense. ~ Deb Thompson -Doesnt that kitty look happy using the litter box? This is a great way to show your potty-training toddlers how happy it will make them to use the potty themselves! - Jennifer Quillen -Since most learning is visual, this app is right on the money. - Notorious Spinks -For those first fundamental steps that your child takes in learning how to use the toilet, I recommend this app for parents who want to help teach their children while making it fun and enjoyable at the same time. - App

games review **FEEDBACK FROM APP USERS:-**This story was so handy with my little one who refused to even try. Sofia -How cute! Love the happy dance. It delighted my kids. - Andrea Kruse. Embarking on potty training is a profound stressor to every parent and their child. Because teaching little ones how to potty is a sensitive issue fraught with emotion, hope and fear; turning it into process into a fun story will alleviate much of the strain from classic potty training issues. **HOW WILL THIS POTTY TRAINING APP HELP YOU?** 1.Potty Training the Animals will set a positive mood for potty training. All around the farm the animals. Your child can relate to the animals as they make funny gotta-go-to-the-potty dancing movements. The animals even feel butterflies in their stomachs, just as inexperienced youngsters learning bathroom rituals do. Small children enjoy helping the animals to make it to the potty, learn by example, and build up empathy for others. Watching and encouraging all of the animals to use the big kid toilet is a tasteful and highly effective way to set a positive mood for potty training.? 2.The Potty Training the Animals app makes the incredibly frustrating task fun.3.Kids love the Potty Training the Animals app, the story behind it and its characters. Using this hands-on approach in combination with the fascinating animal attraction is a sure fire way to help toddlers learn to use the potty with less stress.??
