

This book responds to the urgent need for practical intervention approaches targeting young people at risk. It provides a much needed practical resource for practitioners and students from a variety of helping professions. Focusing on interventions that practitioners can use in collaboration with the young person, the book offers hands-on strategies for enhancing resilience and addressing challenges and issues typically faced by young people.

An Account of the Arctic Regions: With a History and Description of the Northern Whale-Fishery (Cambridge Library Collection - Polar Exploration), Communicating Science: Professional Contexts (OU Reader) (Of Economics; 23), Transformadas de Laplace (Spanish Edition), A Boys Passage: Celebrating Your Sons Journey to Maturity, Ideas for Development, A Bravo Affair, Anwendungsfelder der medizinischen Psychologie (German Edition), Technical Trading Mastery: 7 Steps To Win With Logic,
