

Praying in Your Divine Authority

As born-again believers, God has given us divine authority and power through prayer to decree and declare His Word. But many of God's people are ignorant to the power and authority they have available to them. As a result, many Christians live defeated lives when they could be walking in victory. In Hosea 4:6, God said, my people are destroyed because of a lack of knowledge. It's because of this lack of knowledge and understanding of our authority in Christ that Satan is able to deceive and defeat many Christians. It's like a soldier of war having a powerful, destructive weapon that he doesn't know how to use. Although the soldier has the potential of destroying his enemy with this weapon and winning the battle, because he doesn't know how to use it, his enemy can prevail against him instead. The purpose of this book is to serve as a type of training manual to instruct the believer in understanding their authority, and how to properly access and use it in spiritual warfare against Satan. Jesus victoriously triumphed over demonic principalities and powers, and He has given us the power and authority to do the same. As you read this book and begin to apply these principles to your life, your life will never be the same again. Get ready to flow and operate on another level of power and authority in Christ like you've never known before, as you learn how to Pray in your Divine Authority.
