

## Proceedings, Vol. 10 (Classic Reprint)

On Thursday, January 2nd, at 9p.m., the Association was received by the Lord Mayor and Lady Mayoress in the Town Hall. On Friday, January 3rd, the Business Meeting of the Association was held in the University at 10 a.m. The Rev. H. M. Butler, D.D., Master of Trinity, occupied the chair. Mr. R. C. Seaton (Hon. Treasurer) presented his Report: The Receipts and Expenditure for 1911 are published in the current volume of Proceedings. I now ask you to approve that statement which was put before you at the last General Meeting. The receipts were 446 and the expenses 341. We were able to invest 150 and to carry forward 89 to 1912. I am happy to say that I am in a position to lay before you the accounts for 1912 also, for which I ask approval. At the first glance these accounts seem to compare very unfavourably with those of 1911, inasmuch as the receipts were 433 and the expenditure 442 9on the wrong side ;but in fact there would have been a substantial balance on the right side but for certain legal expenses of an exceptional nature. These expenses were incurred in connection with the Trust Deed, approved a year ago, which invested our property in three Trustees, and with the transfer of Stock thereby rendered necessary. It will be observed that the cost of the Proceedings is 26 more than in the preceding year (103 as against 77) and the cost of The Years Work 42 more (132 as against 90). The cost of the former is due to the increased size of the volume, and of the latter to the fact that The Year s Work is now sent out post free to all who have paid their subscriptions for the year, and not, as before, only to those who have made application for it. On the other hand the cost of clerical assistance is 13 less than in 1911 owing to a rearrangement of work. We carry forward to 1913 a balance of 80 18s. I d. The Association is in a thoroughly sound condition, but (Typographical errors above
