

Atheist responses to Religious Arguments

32,000 words covering common arguments used by religious people and some simple responses on how an atheist might go about refuting them. Seven pages are also used to try and answer the very important question of whether Jesus actually existed or if he was just a fairytale. Other important issues such as evolution, faith schools, biology and history surrounding religion are also covered thoroughly. A must have for any Atheist wanting to debate a Theist, or just wanting to have a greater understanding of the argument from an Atheist point of view.
