

Yes, You Can Still Retire Comfortably!

The specter of retirement is haunting the baby-boom generation. The generation that used to have it all is suddenly finding that it doesn't have enough. Ben Stein and Phil DeMuth show you how to get back on track. They outline the steps you can take today to assure your future tomorrow. Backed up with facts and figures, they lay out exactly how much you need to save in order to maintain your standard of living, and how to invest your dollars to get the maximum return from your savings. For those already retired, they explain how to tap your nest egg to get the most income while keeping your money safe. This is a survival manual for the difficult but exciting road to retirement security. Don't leave middle age without it!
