

Read This Before Our Next Meeting

How many times have you dreaded going to a meeting either because you viewed it as a waste of time or because you weren't prepared. Dread no longer: *Read This Before Our Next Meeting* not only explains what's wrong with the meeting, and meeting culture, but suggests how to make meetings more effective, efficient, and worthy of attending. It assesses when it's necessary to skip the meeting and get right to work. Al Pittampalli shares examples of transforming workplaces by revamping the purpose of the meeting and a company's meeting culture. This book belongs on the shelf of any employee, employer, and company looking to revolutionize what it means to do work all day and how to do it. Simply put: Stop wasting time. *Read This Before Our Next Meeting* is the call to action you (or your boss) needs to create the company that does the meaningful work it was created to do.
