

Everybody Eats: Get Cooking. Get Healthy. Get Happy. (The Art of Happy Eating) (Volume 1)

Everybody Eats gets down to business when it comes to preparing healthy meals. Simple creativity sets this book apart from the average health food cookbook. Honest and straight forward, Everybody Eats inspires the reader to take control of mealtime by introducing innovative techniques and nutritional recipes. With plenty of space to make notes and add their own recipes, the reader learns to get cooking, get healthy and get happy.
