

Reflections - A Time of Change

REFLECTIONS - A TIME OF CHANGE was written to share and reflect on separation and divorce and how God can bring you through those rough times. Designed to be read in sections, this uplifting book full of personal photographs will walk alongside you as you go through this process of change; as you go through the feelings of anger and hurt, guilt and shame, loneliness and confusion. Written by someone who has gone through this process and who wants you to know - you are not alone. There is another side, another life, a new beginning, where peace, happiness and true joy abound and its waiting to meet you.
