

## Speak to Inspire: Excellent speeches are one thing but when leaders speak they don't just draw applause, they evoke action!

If you have a substantial amount of experience and need to discover new techniques and take your speaking career and style to the next level...this workbook will take you there. There is a certain charm, a certain charisma about how leaders and successful CEOs speak. Where do they acquire such talent? Where does the power and the confidence come from? It just cannot be in the position that they are in. When CEOs speak they integrate a lot of wisdom, structure, clarity and preciseness not just of words but of awareness, presence and projection. These subtle and sublime skills have now been captured as a science and can be transferred to many aspiring leaders and CEOs. In this extremely powerful workshop, Raju Mandhyan will expose the science and secrets behind FIVE specialty speeches usually employed by leaders and successful CEOs.
