

## Lenten Adventure: Daily Reflections from Ash Wednesday to Easter Day

This is a collection of daily meditations for Lent, Holy Week and Easter. The author draws on the social justice aspect of Christ's teaching, relating the gospel to everyday life. Each Sunday's meditation is based on a phrase from the Lord's Prayer; this phrase is echoed in the following week's meditations. It should be useful to anyone seeking to live out the love of God in the world.
