

# Retirement Plans: 401(k)s, IRAs and Other Deferred Compensation Approaches (Irwin/McGraw-Hill Series in Finance, Insurance and Real Estate)

Retirement Plans (formerly titled Pension Planning through the ninth edition) is a classic, the book relied upon by generations of faculty and thousands of professionals throughout the world. It reliably provides the reader with the features, costs, investment opportunities, and regulatory issues governing all the various types of retirement and other deferred compensation plans. The 10th edition keeps the book once again at the forefront of the discipline, with extensive coverage of the new Pension Protection Act, defined contribution plans, ethical plan administration, and much more.
