

Retiring to Spain (Retiring Abroad)

Spain is increasingly becoming the place of choice for the many retired people seeking to make a life abroad. Retiring to Spain is the definitive guide for those individuals in their third age of life who are wishing to move. The guide is packed with information on house-buying procedures, laws and regulations, healthcare and taxation, and includes in-depth accounts on the types and costs of accommodation and general cost of living. The guide also focuses on making the most of retirement, meeting new friends, and taking full advantage of the range of leisure pursuits that a warm climate and a new lifestyle allows. Retiring to Spain also includes first hand accounts from people who have successfully retired to the area, as well as pointing out senior concessions, includes lists of useful addresses and things to do.
