

Governance for Collaboratives: A Guide to Resolving Power and Conflict Issues

In *Governance for Collaboratives: A Guide to Resolving Power and Conflict Issues* Joan Roberts explores:

- * Collaboration as a tool for change (not a panacea)
- * Member self interest
- * Using collaboratives as a tool to address complex problems
- * Whether collaboration can provide a critical mass for large scale change
- * The unique characteristic of a collaborative where everyone has a stake but no one owns it
- * The convening role
- * The tension for collaborative partners in wearing two hats (their own organization and the collaborative)
- * Having the right people at the table
- * Organization policies for collaboratives and its member organizations
- * How to address power imbalances
- * Unlearning traditional ways of organizing
